

Vajrasattva Prayers

Vajrasattva is a manifestation of the enlightened purified mind of the Buddha.

Relying on Buddha Vajrasattva will purify all obstacles to our body, speech and mind.

To receive blessings, recite the mantra 108 times three times a day.

Offerings made to Vajrasattva can be those of clean cool water, white fruit, white flowers, white candles, or any other clean pure substance that you can afford or acquire honestly.

The most important thing is to offer sincere pure faith.

Create a clean, sacred space for a photo or other image of Vajrasattva .

The space should be at the level of you heart when standing.

Place offerings in front of your image.

Then follow the prayers below to Vajrasattva :

Go for refuge by saying:

I GO FOR REFUGE TO BUDDHA, DHARMA, AND SANGHA [3x]
THROUGH THE VIRTUES I COLLECT BY GIVING AND OTHER
PERFECTIONS, MAY I BECOME A BUDDHA FOR THE BENEFIT OF
ALL. [3x]

Generate Bodhichitta [the mind that wishes for all to be happy] by saying:

MAY EVERY ONE BE HAPPY.

MAY EVERYONE BE FREE FROM MISERY.

MAY NO ONE EVER BE SEPERATED FROM THEIR HAPPINESS.

MAY EVERY ONE HAVE EQUINITY, FREE FROM HATRED AND ATTACHMENT

Dedicate the offerings by saying:

Then dedicate the merit you have collected to the long life and good health, and enlightenment of all by saying:
